Dear Friend:

I have just gotten my schedule straightened out, and am writing to see if we can get together on some dates. Now you asked me to come to Baltimore to play off the rained out game. I will be able to come there on the 26th if you will come here on the 27th. We will both be making a trip just for the one game, but we could get some publicity on the fact it is the rained out game, and might interest the fans. We really should play those games off anyhow. They should be made night doubleheaders, but that can only be done if you are scheduled together. In this case we would have to arrange the dates.

Next I have been going over the parks available for Sundays in the next half, and I have worked out the following schedule for The Eagles and Elites, if you approve. You are in Philadelphia July 4th. I will meet you in Trenton July 5th, we can come to Newark for July 6th. I will go to Baltimore for the 8th, We can then go to Portsmouth, Newport News, Richmond, and back to Baltimore for the 13th. We have not been to Baltimore a Sunday all year.

If you are interested in that 5th and 6th of July, let me know right away, so I can write and get the park.

I am really sick of this staying idle. In fact I cant really afford it with the payroll we have. I believe we should try to make Trenton a stopoff for the teams coming north. It is worth a try. We were doing very good there once.

Please let me hear from you right away.

Very Truly Yours
